

# Hamfest 2019

**Battleford, Saskatchewan  
July 26 & 27**

**Welcome to the Battlefords**

**Summer – VE5SDH (sk)**

Hamfest 2013 in Battleford was the first Hamfest that Summer attended. During the short time that she was involved in amateur radio Summer left her mark. She was active in many areas of the hobby and always eager to get involved and do her part. She called many nets, especially on 2 meters and the IRLP. She will be especially remembered for how quickly and proficiently she learned CW.

**Final Door Prizes & Auctions after presentations

### *The Amateur's Code*

The Radio Amateur Is

**CONSIDERATE**.....never knowingly operates in such a way as to lessen the pleasure of others.

**LOYAL**.....offers loyalty, encouragement and support to other amateurs, local clubs, and the American Radio Relay League, through which Amateur Radio in the United States is represented nationally and internationally.

**PROGRESSIVE**.....with knowledge abreast of science, a well built and efficient station and operation above reproach.

**FRIENDLY**.....slow and patient operating when requested; friendly advice and counsel to the beginner; kindly assistance, cooperation and consideration for the interests of others. These are the hallmarks of the amateur spirit.

**BALANCED**....radio is an avocation, never interfering with duties owed to family, job, school or community.

**PATRIOTIC**....station and skill always ready for service to country and community.

*.. The original Amateur's Code was written by Paul M. Segal, W9EEA, in 1928*
